

Grease Guns

Lever Action Grease Gun

Item No. KMGF83719

- Heavy duty lever handle with grip
- Includes 6" steel extension and coupler
- Built-in variable stroke mechanism
- Heavy duty aluminum die cast head with air bleeder
- 3 Way loading: 14 oz. cartridge, bulk and filler pump
- Develops 10,000 PSI

Item No. KMGF83719

Item No. KMGF28995

Pistol Grip Grease Gun

Item No. KMGF28995

- Heavy duty pistol handle with grip
- Includes 18" flexible hose extension and coupler
- Comfortable one hand operation
- Heavy duty aluminum die cast head with air bleeder
- 3 Way loading: 14 oz. cartridge, bulk and filler pump
- Develops 5,000 PSI

Air Operated Continuous Flow

Item No. KMGF63517

- Includes 6" steel extension and coupler
- Bulk loader valve
- Heavy duty aluminum die cast head
- Use 14 oz. cartridge or bulk fill
- 1/4" NPT air inlet

Item No. KMGF63517

Grease Gun Accessories

Heavy Duty Grease Gun Holder

Item No. KMGF26844

- Secures most standard and battery-operated grease guns
- Mounts as needed with 1/4" carriage bolts
- Rugged holder firmly secures standard size tube-style grease guns

Item No.
KMGF26844

Grease Gun Holder

Item No. KMGF44840

- Perfect for convenient and safe storage of grease gun
- Simple snap action design
- Zinc plated finish
- Durable heavy gauge steel sheet construction
- Mounts on almost any surface

Item No. KMGF44840

4 Jaw Coupler

- 1/8" NPT
- Hardened coupler body
- Hexagonal nut for easy tightening

Item No.	Working Pressure
KMGF43502	6,000 PSI
KMGF43522	10,000 PSI

Item No.
GF43502

18 Gauge Grease Injector Needle

Item No. KMGF81252

- Includes plastic protective cover
- Lubricates in tight spaces
- Equipped with standard grease fitting without ball check

Item No.
KMGF81252

1 Pint Lever Oil Can

Item No. KMGF41810

- Large handle design for easy and comfortable grip
- Includes flexible 9" spout
- 2 ball valves for large volume delivery per stroke
- Springless suction valve design provides trouble-free performance

Item No. KMGF41810

Pistol Grip Oil Can

Item No. KMGF41820

- 6 oz. base with 6" rigid spout
- All steel construction from tin-coated sheet
- Springless suction valve design provides trouble-free performance
- 2 ball valves for large volume delivery per stroke
- Premium powder coated finish

Item No.
KMGF41820

Flexible Hose

- Highly flexible, durable thermo-plastic construction
- Flexible hose extension for hard-to-reach areas
- Fitted with 4 jaw coupler
- Minimum radius bend of 1.57"
- Working pressure of 3,500 PSI
- Hose ID .14" / OD .33"
- Hydraulic crimped zinc plated connectors

Item No.	Length
KMGF6231	12"
KMGF6232	18"

Item No.
KMGF6232

Item No.
KMGF6231

Item No.
KMGF44802

Item No.
KMGF44829

6" Steel Extension

- 1/8" NPT
- Straight adapter

Item No.	Style
KMGF44829	Straight
KMGF44802	Bent

Grease Gun Accessories

100 Piece SAE Grease Fitting Assortments

Item No. KMGF44710

- Ball check
- Heat-treated greasing end and springs
- Premium quality

M10 x 1	5	5	5

Grease Joint Rejuvenator

Item No. KM7862

- Includes 5" flex hose for hard-to-read areas
- Works on farming, excavating, construction, industrial equipment, aircraft, automobiles, trailers and more
- Unclog frozen grease joints

Item No. KM7862

Item No. KM7864

Pocket Grease Joint Rejuvenator

Item No. KM7864

- Produces 2-1/2 times more pressure than the larger Grease Joint Rejuvenator (KM7862)
- Smaller and lighter but works in the same way as the kit model (KM7862)

7 Piece Quick Connect Grease Accessory Kit

Item No. KMGF44950

- Includes: Professional recessed lube adapter with quick disconnect, whip hose with heavy duty coupler and quick connect, jaw type coupler, narrow needle nose adapter, 90° angle adapter/right angle adapter, regular coupler to right angled coupler and stainless steel 1-1/2" grease injector needle
- Tough, oil resistant nylon pouch

Item No. KMGF44950
